

### **Blueberry Class home learning:**

Continue with your reading and lots of practice on Times Tables Rock Stars. If you have a Lexia log on remember to please keep practicing.

**Please choose from the following all about the Iroquois Native Americans to complete this week along with your Step back in Time project:**

- Writing  
Research and create a presentation (on paper or ICT) which will last 3 minutes on a day in the life of a Native American.
- Art  
Create your own Iroquois hero - draw or paint their portrait.
- Music  
Listen to Native American music, can you recreate your own. Perhaps you can make your own replica drum from junk modelling?
- Maths  
Explore Espresso and the sections on fractions (login: student29531, password: bubbles).  
<https://online.espresso.co.uk/espresso/login/Authn/UserPassword>

### **Step Back in Time**

The whole school will be taking part in this project. Research a person from history and be ready to introduce them to your class when we return.....

Can you create a costume from items you have at home? What about any props? How much can you find out about them? Could you draw them? Can you create a fact file all about them?

## **General Ideas to Support Learning:**

### **English Activities**

e.g. write a letter to a relative, design a postcard from a character from your reading book, record your reading for today, read your reading book, write a story for someone at school, practise your spellings.

### **Mathematics activities**

e.g. TTrackstars (test your friends and family), BBC bitesize, espresso, cooking (measuring), weather gauges (quantities), playing cards and board games, practise telling the time.

### **Outside activities**

e.g. be a wildlife detective (science and art), dog walking, gardening, junk modelling, playing, bike riding,

### **Mindfulness activities**

e.g. playing board games with your family, be creative, learn how to play an instrument, write to / facetime a friend, read, take up yoga, drawing.

Please share what you have been doing with your class teacher via email

[Imaskell@ickleshamcp.e-sussex.sch.uk](mailto:Imaskell@ickleshamcp.e-sussex.sch.uk) or via the office [office@ickleshamcp.e-sussex.sch.uk](mailto:office@ickleshamcp.e-sussex.sch.uk)

general messages will be on the website or shared by teacher2parent

*Complete any of the above activities in your home learning book, it has been proven that a structured day will help with the isolation so maybe try to complete one activity from each section per day*
