

Transition Project 2020

We would like to get you all involved in a little project to help your child get prepared for school. This is being rolled out across Hastings and St. Leonard's and is linked to 50 things to do before you're 5...

The focus is on language and developing children's nursery rhyme knowledge. We will be sharing a nursery rhyme a week, 5 in total, for your child to learn and be familiar with before they start school. Each one will have a video with Makaton signing to go with the words. Please practise the songs with your child and the actions that go with them.

This weeks 'Rhyme of the Week' is Incy Wincy Spider!

<https://youtu.be/TMfPKUz3hvE>

<https://youtu.be/f8vn9dvqoYc>

Watch the videos for the actions and join in the singing with your child. We have added a sheet with the words and symbols for the children to follow along with you.

We would love to see videos and pictures of your children acting these out. If you are comfortable posting these on the hub Facebook page that would be great, or on the 50 things page.

Happy singing and signing!

We will forward the next rhyme on to you via email. You can also find the links weekly on our school website www.ickleshamcp.e-sussex.sch.uk via the class tab, Reception 2020.
