

Data Summary for 2017-2018

Early Years Foundation Stage

Early Years Foundation Stage

Children in the Early Years Foundation Stage are assessed as to whether they have made a Good Level of Development (GLD). There are three grades for each area of learning. 1 = emerging (not yet meeting the standard) 2 = expected, 3 = exceeding. Children can achieve a GLD if they achieve a '2' in all the Prime Areas of Learning (PSED, PD and CLL) as well as Literacy and mathematics which are called Specific Areas of Learning.
