We welcome prospective parents for September 2021

If your child was born between 1st September 2016 and 31st August 2017 you will need to apply for a place at a primary school by 15th January 2021.

At Icklesham CE Primary School we believe in providing all our children with opportunities to be the best they can be. We place great importance on developing the whole child and have developed our Curious Curriculum to provide breadth and balance including wellbeing, sporting success, exploring the creative arts and sciences, alongside academic excellence.

As much as we would love to offer a visit to see our school in action, current Government advice is clear and our current risk assessments mean tours must be virtual or after the school day for the time being.

Look out for our virtual tour of the school in action coming to our website soon.

Do take a look at our website including our '2020 Icklesham Memories' for a snap shot of our Curious Curriculum and school community growing and thriving online. We hope that the virtual tour and website communicates the super ethos and atmosphere at Icklesham School and Nursery.

Please do get in touch if you would like to speak with us further about what Icklesham School and Nursery can offer you and your child. We are also able to book individual family visits after school.

Please email Mrs Robinson, Headteacher,
via office@ickleshamcp.e-sussex.sch.uk

Nursery queries can be made to Mrs Tyler, Nursery Manager,
via acornnursery@ickleshamcp.e-sussex.sch.uk
