## **Icklesham Church of England Primary School PE and Sport Premium**

The following action plan and evaluation demonstrated how Icklesham CEP School have used the plan to use this Government funding to make additional and sustainable improvements to the quality of PE and sport we offer. We will use the Primary PE and Sport Premium to:-

Develop or add to the PE and sport activities that our school already offers

Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Our strategy is planned to secure improvement across the 5 key aims:

- 1 engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18
- 2 the profile of PE and sport is raised across the school as a tool for whole school improvement
- 3 increased confidence, knowledge and skills of all staff in teaching PE and sport
