Our Vision

We are a school built on Christian foundations where every individual is celebrated as unique. We aspire to be curious, compassionate, tolerant and active in a diverse world. We gather together to build a community that finds each person's gifts and nurtures them that their light may shine. We hold a vision of success for all.

Let Your Light Shine before others that they may see your good deeds and glorify your Father in Heaven. Matthew 5:16

1. Aims

Schools are required under the Equality Act 2010 to have an accessibility plan. The purpose of the plan is to:

- Increase the extent to which pupils with disabilities can participate in the curriculum
- Improve the physical environment of the school to enable pupils with disabilities to take better advantage of education, benefits, facilities and services provided
- Improve the availability of accessible information to pupils with disabilities

Our school aims to treat all its pupils fairly and with respect. This involves providing access and opportunities for all pupils without discrimination of any kind.

The plan will be made available online on the school website, and paper copies are available upon request.

Our school is also committed to ensuring staff are trained in equality issues with reference to the Equality Act 2010, including understanding disability issues.

The school supports any available partnerships to develop and implement the plan.

Our school's complaints procedure covers the accessibility plan. If you have any concerns relating to accessibility in school, the complaints procedure sets out the process for raising these concerns.

We have included a range of stakeholders in the development of this accessibility plan, including pupils, parents, staff and governors of the school.

2. Legislation and guidance

This document meets the requirements of [schedule 10 of the Equality Act 2010](#) and the Department for Education (DfE) [guidance for schools on the Equality Act 2010](#).

The Equality Act 2010 defines an individual as disabled if they have a physical or mental impairment that has a 'substantial' and 'long-term' adverse effect on their ability to undertake normal day to day activities.

Under the [Special Educational Needs and Disability \(SEND\) Code of Practice](#), 'long-term' is defined as 'a year or more' and 'substantial' is defined as 'more than minor or trivial'. The definition includes sensory impairments, such as those affecting sight or hearing, and long-term health conditions such as asthma, diabetes, epilepsy and cancer.

Schools are required to make 'reasonable adjustments' for pupils with disabilities under the Equality Act 2010, to alleviate any substantial disadvantage that a pupil with disabilities faces in comparison with a pupil without disabilities. This can include, for example, the provision of an auxiliary aid or adjustments to premises.
