Our Vision

We are a school built on Christian foundations where every individual is celebrated as unique. We aspire to be curious, compassionate, tolerant and active in a diverse world. We gather together to build a community that finds each person's gifts and nurtures them that their light may shine. We hold a vision of success for all.

Let Your Light Shine before others that they may see your good deeds and glorify your Father in Heaven. Matthew 5:16

At Icklesham Church of England Primary School we recognise that the personal development of pupils, spiritually, morally, socially and culturally, plays a significant part in their ability to learn and achieve. We therefore aim to provide an education that provides pupils with opportunities to explore and develop their own values and beliefs, spiritual awareness, high standards of personal behaviour, a positive, caring attitude towards other people, an understanding of their social and cultural traditions and an appreciation of the diversity and richness of different cultures.

Guidelines

All curriculum areas have a contribution to make to the child's spiritual, moral, social and cultural development and opportunities for this will be planned in each area of the curriculum. Christian spirituality and Christian values and principles will be explored in all curriculum areas, and particularly in RE and Collective Worship. The integrity and spirituality of pupils from other faith backgrounds will be respected and explored. The diversity of spiritual traditions will be recognised, and pupils will be given access to alternative views.

All adults will model and promote expected behaviour, treating all people as unique and valuable individuals and showing (Christian) love and respect for pupils and their families. The school community will be a place where pupils can find acceptance for themselves as unique individuals and where forgiveness and the opportunity to start again is fundamental to the ethos of the school.

Pupils should learn to differentiate between right and wrong in as far as their actions affect other people. They will be encouraged to value themselves and others.

Pupils should understand the need for rules and the need to abide by rules for the good of everyone. School and classroom rules should reflect, reiterate, promote and reward acceptable behaviour and provide opportunities to celebrate pupils' work and achievements. All curriculum areas should seek to use illustrations and examples drawn from as wide a range of cultural contexts as possible. This will be reflected in teacher's planning and purchasing decisions.

General Aims

- To ensure that everyone connected with the school is aware of our values and principles.

Teaching and Learning Organisation

Development in SMSC will take place across all curriculum areas, within activities that encourage pupils to recognise the spiritual dimension of their learning, reflect on the significance of what they are learning, and to recognise any challenges that there may be to their own attitude and lifestyle.

Our Curious Curriculum, alongside our PSHE programme 'Opening Young Minds' are designed so that all curriculum areas include illustrations and examples drawn from as wide a range of cultural contexts as possible.

Class discussions, circle time and the PSHE curriculum will give pupils opportunities to:

- Talk about personal experiences and feelings.
- Express and clarify their own ideas and beliefs.
- Speak about difficult events, e.g. bullying, death etc.
- Share thoughts and feelings with other people.
- Explore relationships with friends/family/others.
- Consider others needs and behaviour.
- Show empathy.
- Develop self-esteem and a respect for others.
- Develop a sense of belonging.
- Develop the skills and attitudes that enable pupils to develop socially, morally, spiritually and culturally – e.g. empathy, respect, open mindedness, sensitivity, critical awareness, etc.

Many curriculum areas provide opportunities to:

- Listen and talk to each other.
- Learn an awareness of treating all as equals.
- Agree and disagree.
- Take turns and share equipment.
- Work co-operatively and collaboratively.

Links with the wider community

- Visitors are welcomed into school.
- Links with the Church are fostered through links with the local church and with the Diocesan Board of Education.
- The development of a strong home-school link is regarded as very important, enabling parents and teachers to work in an effective partnership to support the pupil.
- Pupils will be taught to appreciate their local environment and to develop a sense of responsibility to it.

Monitoring and Evaluation

Provision for SMSC is monitored and reviewed on a regular basis. This is achieved by:

- Monitoring of teaching and learning, by the head teacher, subject leaders and governor visits.
- Regular discussion at staff and governors' meetings
- Sharing of classroom work and practice.
- Evidence held in school in books, on display and in prayer and reflection areas.
